

Wall light Nova Luce Vire black 230V 6W 444lm IP20 3000K warm white

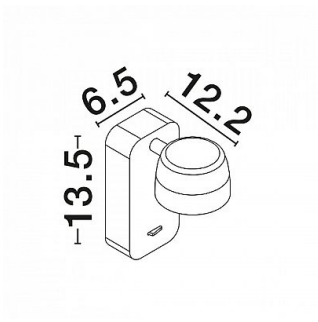

Product code 23804

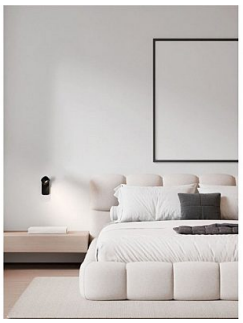

The Vire wall light features a sleek black sandy finish crafted from durable aluminium, designed for indoor use. This surface-mounted fixture provides a warm 3000K light with a luminous flux of 444 lumens, enhancing ambient spaces with soft, inviting illumination. Its compact dimensions and integrated bulb make it a practical choice for decorative wall lighting without adjustable or dimmable functions. The light offers reliable performance with a CRI over 80 and an IP20 rating, suitable for residential or commercial interiors.
