

Wall lamp Nova Luce Handy black 9W 510lm IP20 3000K warm white

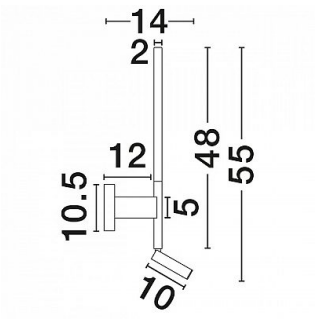

Product code 23827

The Handy wall light features a sleek, minimalistic design in a sandy white finish, crafted from aluminium and acrylic materials. This indoor fixture provides warm white LED illumination with a color rendering index above 80, ensuring natural light quality. Its adjustable design allows for versatile lighting angles, while the surface mounting ensures easy installation. The light source is integrated and not replaceable, delivering 510 lumens of soft, warm light ideal for decorative and functional use. Compact and lightweight, it is suitable for various indoor environments requiring subtle, modern lighting.
