

Pendant lamp Nova Luce Lava black / chrome CRI80 E27 IP20 TRIAC

Product code 23852

The Lava pendant light combines a sleek chrome finish with durable glass and metal materials, creating a sophisticated lighting solution for indoor spaces. Designed for ceiling surface mounting, it accommodates a single E27 bulb, providing focused illumination with a modern aesthetic. Its slim profile and elegant shape make it suitable for various interior settings, enhancing ambiance without overwhelming the decor. This fixture is non-dimmable and designed for standard mains power, ensuring reliable performance in residential or commercial environments.
