Wall light Nova Luce Yama 12 W + E27 black 230V 15W 210lm IP20 830

Product code 23888

The Yama wall light combines sleek black aluminium with a fabric shade to offer a modern, decorative lighting solution for indoor spaces. It features a warm white LED light source with a soft 3000K color temperature, providing a comfortable ambiance. Designed for surface mounting, this fixture includes an adjustable arm to direct light where needed. The integrated LED module is not replaceable, and the light is supplied with a 12W E27 bulb. With a CRI above 80, it ensures quality color rendering. Its compact dimensions and lightweight design make it suitable for various interior applications.
