

Wall light Nova Luce Nia 8 W + E14 black 230V 8W 180lm IP20 830

Product code 23890

The Nia wall light combines a sleek white metal frame with a fabric shade, offering warm white illumination ideal for indoor spaces. This fixture includes an integrated LED light source with an E14 bulb, providing soft, ambient light with a color rendering index above 80. Its adjustable arm allows for directional lighting, enhancing functionality. Designed for surface mounting, it fits seamlessly on walls, adding a decorative yet practical element to bedrooms, living rooms, or hallways. The compact dimensions and lightweight construction make it a versatile choice for modern interiors.
