

Wall light Nova Luce Eclip black 230V 9W 520lm IP20 830

Product code 23896

The Eclip wall light features a sleek black aluminium design that complements modern interiors. This surface-mounted fixture offers adjustable positioning for targeted illumination. It emits a warm white light with a color temperature of 3000K and a high color rendering index above 80, ensuring natural and comfortable lighting. Equipped with an integrated LED module, it provides efficient lighting with a luminous flux of 520 lumens. Designed for indoor use, this compact fixture measures 15 cm in length, 19.5 cm in width, and 50 cm in height. Its durable construction and minimalist style make it ideal for decorative applications in residential or commercial spaces.
