Wall light Nova Luce Infinity white 230V 6W 535lm IP20 830

Product code 23901

The Infinity wall light combines modern design with functional illumination, featuring a sandy white metal finish that complements contemporary interiors. This indoor fixture emits a warm white light with a high color rendering index (CRI >80), enhancing the ambiance of any space. Its surface-mounted design allows for easy installation on walls, providing subtle yet effective lighting. The integrated LED source delivers consistent brightness without the need for replacement, making it a low-maintenance choice. Compact dimensions and a sleek profile make it suitable for various indoor environments seeking elegant decorative lighting.
