

Floor lamp Nova Luce Sfera gold 230V 6W 390lm IP20 830

Product code 23904

The Sfera floor lamp combines a sleek gold finish with durable aluminium and steel construction, designed for sophisticated indoor environments. It features an integrated LED light source emitting warm white light with a high color rendering index above 80, ensuring natural and comfortable illumination. The lamp offers adjustable positioning for targeted lighting and mounts easily on the floor surface. With a compact footprint and elegant height, it suits modern interiors seeking both style and function. The LED module is non-replaceable, delivering efficient 6W power and 390 lumens output. Ideal for decorative and ambient lighting, this lamp enhances any space with subtle warmth and refined design.
