

Ceiling lamp Nova Luce Copo transparent 20W 2118lm IP20 TRIAC 3000K warm white

Product code 23906

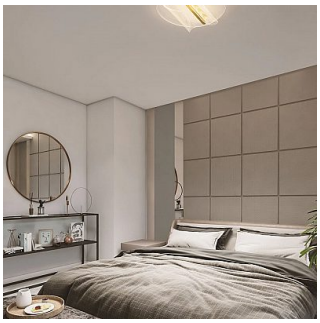

The Copo ceiling light features a refined brass gold finish crafted from aluminium and acrylic, delivering warm white LED illumination ideal for indoor environments. This surface-mounted fixture offers a sleek, decorative design that enhances any room with its soft, inviting light. It includes an integrated LED source with a high color rendering index above 80, ensuring vibrant and natural light quality. The light is dimmable via triac control, allowing customizable ambiance. Compact and lightweight, it measures 45 cm in length, 55 cm in width, and 13 cm in height, making it suitable for various ceiling spaces. The fixture is designed for reliable performance with a luminous flux of 1106 lumens and an IP20 rating for indoor use.

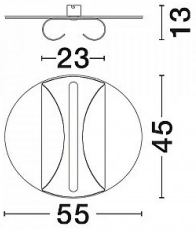

Correlated colour temperature	warm white 3000K
