

Facade luminaire Nova Luce Splash black 10W 600lm IP54 830

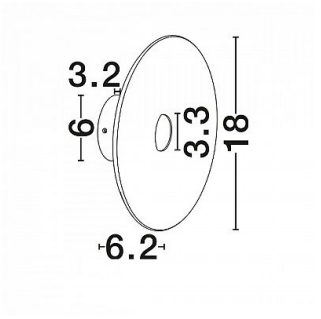

Product code 23925

The Splash outdoor wall light combines a sleek sandy black aluminum body with a durable polycarbonate diffuser, designed for reliable exterior use. It emits a warm white light with a color temperature of 3000K and a luminous flux of 600 lumens, providing comfortable and inviting illumination. This surface-mounted fixture is IP54 rated, making it resistant to dust and water splashes, ideal for outdoor environments. The integrated LED light source offers energy-efficient performance without requiring bulb replacement. With a compact diameter of 18 cm and height of 6.2 cm, it fits seamlessly on walls to enhance outdoor spaces with subtle, modern lighting.
