

Wall light Nova Luce Jaco white 3W 190lm IP20 3000K warm white

Product code 23931

This adjustable wall light features a white aluminium body and a warm white LED light source, providing a soft and inviting illumination ideal for indoor environments. Designed for surface mounting, it offers a sleek and minimalistic aesthetic suitable for various interior styles. The integrated LED module delivers consistent light with a color temperature of 3000K and a color rendering index above 80, ensuring natural color tones. Lightweight and compact, it is easy to install and perfect for accent or task lighting in residential or commercial spaces.
