

Wall light Nova Luce Madison white 3W 190lm IP20 3000K warm white

Product code 23933

The Madison wall light features a sleek white aluminium design with an adjustable arm for precise lighting direction. It includes a warm white LED light source with a color temperature of 3000K and a high color rendering index (CRI) above 80, ensuring natural and comfortable illumination. This surface-mounted fixture is ideal for indoor environments, providing decorative and functional lighting. The integrated LED module delivers efficient 3W power and 190 lumens output. Its compact dimensions and modern aesthetic make it suitable for various interior settings.
