

Wall light Nova Luce Aden black 10W 700lm 120° IP20 830

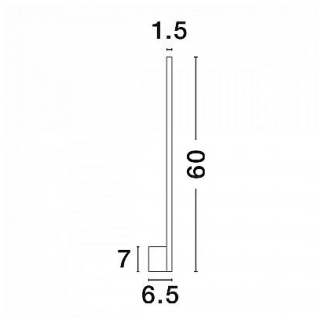

Product code 23934

The Aden wall light features a minimalist black aluminium design with a sandy finish, perfect for enhancing indoor spaces with subtle decorative illumination. It emits a warm white light at 3000K with a luminous flux of 700 lumens, providing comfortable ambient lighting. This surface-mounted fixture is compact and lightweight, measuring 60 cm in height and designed for easy installation. The integrated LED module is non-replaceable and non-dimmable, ensuring consistent performance. With a high color rendering index above 80, it delivers natural light quality suitable for various indoor environments.
