

Wall light Nova Luce Aden black 20W 672lm 120° IP20 830

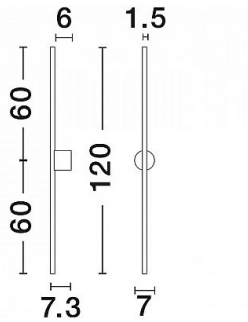

Product code 23935

The Aden wall light features a minimalist design with a sleek black sandy finish on durable aluminium. It emits a warm white light with a color temperature of 3000K and a high color rendering index above 80, ensuring natural illumination. Designed for indoor use, this surface-mounted fixture stands 120 cm tall and provides a luminous flux of 672 lumens. The integrated LED source is non-dimmable and not replaceable, offering consistent performance with low maintenance. Its slim profile and modern aesthetic make it suitable for decorative lighting in residential or commercial interiors.
