

Table lamp Nova Luce Juliet white / golden 230V E14 IP20 830

Product code 23938

The Juliet table lamp combines an opal glass globe with a brass and black metal base to create a refined decorative lighting piece. Designed for indoor use, this surface-mounted lamp offers soft, ambient illumination using a single E14 bulb (not included). Its compact dimensions and elegant materials make it suitable for various interior settings, providing a warm and inviting atmosphere. The lamp is non-dimmable and operates on AC power, making it a straightforward and stylish addition to any table or desk.
