

Ceiling lamp Nova Luce Kiklos white 30W 1250lm IP20 TRIAC 830

Product code 23946

The Kiklos ceiling light features a modern design with a white sandy finish, crafted from aluminium, steel, and acrylic materials. It provides warm white LED illumination with a color temperature of 3000K and a high color rendering index above 80, ensuring natural and comfortable lighting. This surface-mounted fixture is ideal for indoor environments, offering a luminous flux of 1250 lumens with dimmable functionality via Triac dimming. The integrated LED module is non-replaceable, designed for efficient and long-lasting performance. Its compact dimensions and sleek form make it a stylish and functional addition to contemporary interiors.
