

Wall light Nova Luce Dexter black 230V GU10 IP20

Product code 24021

The Dexter wall light offers a sleek, modern design with a black sandy aluminum finish, ideal for indoor environments. This adjustable fixture allows precise light direction, enhancing functional and decorative lighting needs. It supports a single GU10 bulb, providing focused illumination with a compact diameter of 6.2 cm and height of 15 cm. Designed for surface mounting, it combines durability with contemporary style, making it suitable for various interior spaces. The fixture operates on AC current and is rated IP20 for indoor protection.
