

Luminaire frame Trio Lighting Kenai black round GU10 IP20

Product code 24022

The secret of TRIO recessed luminaires is: timeless, flexible, design-orientated! With the right recessed lights, stylish accents can be set and an atmospheric ambience created. The swivelling recessed spotlights in the KENAI range can be used in a variety of ways - whether as ambient lighting or for targeted accentuation of selected areas. The light source is interchangeable, so you have the option of choosing your personal favourite from switchable and dimmable light sources for wide-area or directional light. The round design is timeless and blends easily into a variety of interior styles. The KENAI recessed spotlight has a diameter of 90 mm and requires a ceiling cut-out of 85 mm and an installation depth of at least 110 mm. Black matt luminaire design is absolutely on trend and blends wonderfully into modern living spaces. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
