Pendant lamp Nova Luce Pashio white 230V E27 IP20

Product code 24044

The Pashio decorative suspension light combines resin, fabric, and paper materials in a striking design available in black or white finishes. With a height of 300 cm and a diameter of 45 cm, this pendant light is designed for indoor use and surface mounting. It features an E27 light source socket and a power rating of 12 W. Ideal for adding a refined, artistic touch to living rooms, dining areas, or reception spaces, it offers a unique blend of texture and form without adjustability.
