

Wall light Nova Luce Livia black 30W 2422lm IP44 830

Product code 24077

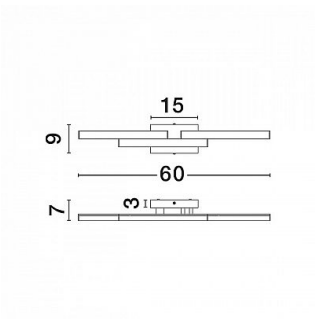

The Atom LED wall light features a sleek sandy white finish with a durable aluminium and acrylic build, designed for indoor bathroom environments. It provides neutral white illumination with a color temperature of 4000K and a high color rendering index above 80, ensuring clear and natural light. This surface-mounted fixture offers 1580 lumens of brightness from an integrated LED source, making it an efficient and stylish lighting solution. Its compact dimensions and IP44 rating make it suitable for bathroom use, combining functionality with modern decorative appeal.
