

Pendant lamp Trio Lighting Trajan black 45W 5300lm CRI80 IP20 dimmerdatav 2700K - 5000K warm - cold white

Product code 24091

The TRAJAN series impresses with its minimalist design and exceptional functionality. It is height-adjustable and can also be pulled apart easily and steplessly up to a length of 1.50 metres. Perfect for extendable dining tables! Another highlight is the integrated touch function. By simply touching it, both the brightness levels and the light colour can be adjusted as desired. Furthermore, two additional light outlets provide atmospheric, harmonious lighting effects upwards. The two-colour concept in matt black/ matt brass goes well with modern furnishings and colour schemes. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
