

Facade luminaire Trio Lighting Cuando anthracite 11W 1400lm IP54 830

Product code 24093

The CUANDO outdoor wall light impresses with its striking design and high-quality materials. The luminaire is made of die-cast aluminium and is ideal for outdoor use thanks to its IP54 protection rating. Thanks to the upward and downward light emission, the luminaire provides pleasant and effective lighting at the house entrance, balcony or patio area. The light also has an integrated motion detector with a detection angle of 120 and a range of 3m or 6m. The duration of the lighting can be selected in various stages between five seconds and eight minutes. The wall light has a width of 23cm and a height of 7cm as well as a projection of 14cm. The anthracite-coloured design can be combined in a variety of ways and ensures a modern appearance. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
