

Floor lamp Nova Luce Voice black 230V 12W 960lm IP20 830

Product code 24136

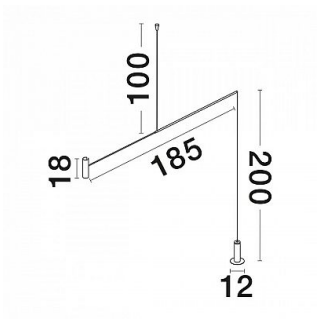

This adjustable floor LED light features a sleek black sandy finish crafted from aluminium and acrylic, designed for indoor decorative use. It provides warm white illumination with a color temperature of 3000K and a high color rendering index above 80, ensuring natural light quality. The light source is integrated and not replaceable, delivering 960 lumens of brightness. Its surface mounting and extended adjustable height from 20 to 250 cm allow versatile placement and lighting control. The lamp operates on AC power with a 12W LED module, ideal for modern interiors seeking minimalist and functional lighting solutions.
