

Wall light Trio Lighting Burton black 230V E14 IP20

Product code 24143

The luminaires of the BURTON series with their textile shades are the epitome of cosiness. The homely light of the single-flame spotlight, which conjures up a cosy ambience thanks to the two different coloured shades, sets special lighting accents wherever they are desired and needed. The existing FLEXconnect feature makes it possible to connect the luminaire both via the fixed connection and for operation with a plug-in lead. The modern combination of an inner white fabric shade and an outer transparent black plastic shade looks individual as well as refreshing and can be integrated into modern living styles in many ways. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Warranty	3 years
Brand	Trio Lighting
Supply voltage	230V
Socket	E14
Protection class	IP20
Length	185.0mm
Width	125.0mm
Height	195.0mm
Diameter	125.0mm
Casing colour	black
Casing material	metal + textile
Work environment	indoor use
Operation temperature	-10 ~30°C
Certificates	CE
