

Lightening control console LTECH LT-200 SPI (13874)

Product code: 13874
brand: LTECH
input voltage: 230V
height: 40mm
width: 125mm
length: 163mm
weight: 760g
working temperature: -30°C□65°C
certifications: CE, RoHS
warranty: 2 years

Working Voltage DC12V (with an adapter to covert AC100□240V to DC12V) Power consumption □2W Output signal SPI(TTL) 3rd part port DMX512 Change mode 540 modes Control Qty 1024 pixels Input/Output terminal XLR-3, RJ45, Green terminal, combination the terminal of signal and power working temperature -30°C□65°C
