LED wall luminaire with an elegant matte black design! This IP20-rated luminaire is an ideal choice for home or office environments. Thanks to CRI90, the LED luminaire is capable of reproducing colors naturally, contributing to the overall atmosphere and feeling of the space. The luminaire features wireless dimming functionality, allowing you to conveniently adjust the brightness of the light with a remote control. The color temperature range of this luminaire varies from warm white to cool white. Proper use makes this luminaire energy-efficient, environmentally friendly, and with a very long lifespan (50,000 hours). Illuminate your world with LED House professionals - [check out our project portfolio here!](#)
