

Carrier for street light ø60mm tube

Product code 14456

Installation opening diameter 60mm

LED street light LT H gray 230V 33W 3898lm IP65 DALI 830

Product code 19111 DALI dimmable

Supply voltage 230V
Power factor 0.90
Dimmable DALI
Output 33W
Maximum output 33W/1m
Luminous flux 3898lumens
Luminaire's efficiency lm79 118W
Correlated colour temperature warm white 3000K
Cri 80
Sdcm - macadam ellipses 3
Protection class IP65
Lifespan 100000h
Llmf tm21 L80B10 @25°C 100.000h
Height 195.0mm
Width 150.0mm
Length 550.0mm
In package 1pc
Casing colour gray
Casing material aluminum + plastic
Polishing matt
Impact resistance IK08
Work environment outdoor use
Operation temperature -40 ~ 45°C
Certificates CE
Warranty 5 years

A street light that makes moving in urban spaces safe even in the dark of night! It is perfect for driveways, streets, parking lots, and all other outdoor areas that need safe, affordable, and efficient lighting. Protection classes IP66 and IK08 ensure the fixture's durability and long life in outdoor conditions. Additionally, the light is ideal for collaboration with security cameras - see the product specifications for more details. Furthermore, the maintenance process of the light has been made exceptionally easy - allowing you to save on labor and time! This feature is ensured by the removable electric plate, which makes connecting wires during installation particularly convenient.

A street light that makes moving in urban spaces safe even in the dark of night! It is perfect for driveways, streets, parking lots, and all other outdoor areas that need safe, affordable, and efficient lighting. Protection classes IP66 and IK08 ensure the fixture's durability and long life in outdoor conditions. Additionally, the light is ideal for collaboration with security cameras - see the product specifications for more details. Furthermore, the maintenance process of the light has been made exceptionally easy - allowing you to save on labor and time! This feature is ensured by the removable electric plate, which makes connecting wires during installation particularly convenient.

The LED street light Slim is a product of the PROLUMEN brand by the Estonian company LED House OÜ. The product uses LUMILEDS LUXEON 3030 2D LEDs and a Mean Well ELG series power supply. The housing is made of aluminum, powder-coated, and corrosion-resistant. The light is directed by a high-quality lens made of PMMA material. The recommended installation height for a 60W light is 4-6 meters. The light is powered by a Mean Well power supply, which is one of the most sold and widely used power supply manufacturers in the world. The input voltage of the power supplies ranges from 180 to 295V. A PFC function (power factor correction) is built-in. The working efficiency is up to 91.5%. Protection elements are built-in to safeguard against overheating, overvoltage, and overload. The power supplies have an IP67 protection class and are suitable for both indoor and outdoor use. Mean Well offers a 5-year manufacturer's warranty on the power supplies. More information about Mean Well power supplies can be found at www.meanwell.com

ST57 Solar-Powered Streetlight - And no cables are needed! ST57 is a full-range solar streetlight offering six different sizes: 10W, 20W, 30W, 40W, 50W, and 60W, making it ideal for various applications. Smart control features, such as a built-in microwave sensor and timer dimming, ensure longer discharge times. The adjustable mounting angle improves charging efficiency, and the removable battery makes maintenance simple. Key Features: MPPT controller and mono-crystalline solar panels: Maximum charging capability. LiFePO4 battery: Reliable and long-lasting energy storage. Aluminum alloy casing and polycarbonate optical lens: Durable and weather-resistant design. Easy to clean and maintain with a shell design allowing for quick battery replacement. Efficient heat dissipation. Smart control options, including a built-in microwave sensor and timer dimming, ensure energy efficiency. 360° adjustable connection and $\pm 40^\circ$ tilt angle adjustment. Quick and easy installation with a plug-and-play system. Applications: Rural roads, urban roads, walkways, parking lots, courtyards, plazas, and parks. NB! The product is available for pre-order, with a minimum order quantity of 10 units. Battery warranty 3 years, other parts of the light 5 years.
