

## Mounting clip Ceiling mount EZ click with rod 1m white

### Product code 17557

Length 1000.0mm  
Casing colour white  
Casing material metal

## Power supply KGP 48V DC TCI 122764 230V 150W IP20

### Product code 17133

Brand [KGP](#)  
Supply voltage 230V  
Output voltage 48V  
Output 150W  
Maximum output 150W/1m  
Rated current 3125mA  
Protection class IP20  
Height 49.0mm  
Width 60.0mm  
Length 240.0mm  
Casing material plastic  
Warranty 3 years

The 48V power supply unit provides a stable and safe power source for various electrical devices and lights. The rated power of this power supply unit ensures sufficient power for powering multiple electrical devices. The power supply unit is designed for indoor use, and its IP20 protection class provides adequate protection against dust and small objects. It is an ideal choice for home and office spaces where a reliable and stable power source for various electronic devices is needed. By choosing a quality power supply unit from the LED house selection, you can be sure that your electronic devices are reliably and safely powered, ensuring their smooth operation and longer lifespan.

## Mounting clip Mounting clamp white

**Product code 17558**

Length 1000.0mm  
Casing colour white  
Casing material metal

## Mounting clip N-mount with 1m suspension cable PRO-N147-B black

**Product code 18023**

Length 1000.0mm  
Casing colour black  
Casing material metal

## Power track POWERGEAR 2m Track PRO-N120-W white 48V

**Product code 17525**

Brand [POWERGEAR](#)  
Supply voltage 48V  
Height 21.9mm  
Width 26.2mm  
Length 2000.0mm  
In package 1pc  
In box 9pcs  
Casing colour white

High-quality 48V power track for track light installation. The magnetic mounting mechanism allows for quick and secure installation of the power track, avoiding complex wire connections. This ensures a safe power source, making it an ideal choice for both residential and commercial spaces where quality and reliable lighting are important. Improve the quality of light in your everyday life and choose a top-notch lighting solution from [the LED house product range!](#)

## Power track POWERGEAR 2m Track PRO-RN120-B black 48V

**Product code 17533**

Brand [POWERGEAR](#)

Supply voltage 48V

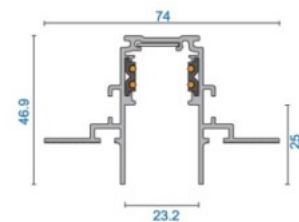

Length 3000.0mm

In package 1pc

In box 6pcs

Casing colour black

High-quality 48V recessed power track for track light installation. The magnetic mounting mechanism allows for quick and safe installation of the power track, avoiding complex wire connections. This ensures a safe power source, making it an ideal choice for both residential and commercial spaces where quality and reliable lighting are important. Improve the quality of light in your everyday life and choose a top-notch lighting solution from [the LED house product range!](#)

## Power track POWERGEAR 2m Track PRO-RN120-W white 48V

**Product code 17528**

Magnet-based LED track light with an elegant matte black design! This IP20-rated luminaire is an ideal choice for home or office environments. With a CRI90 rating, the LED luminaire is capable of presenting colors naturally, contributing to the overall atmosphere and feel of the room. Integrated DALI Dim technology allows the luminaire brightness to be adjusted as needed. The light temperature ranges from warm white to cool white (2700K to 5700K). With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours). Illuminate your world with LED House professionals - [check out our project portfolio here!](#)
