Magnet-based LED track light with an elegant matte black design! This IP20rated luminaire is an ideal choice for home or office environments. With a CRI90 rating, the LED luminaire is capable of presenting colors naturally, contributing to the overall atmosphere and feel of the room. Integrated DALI Dim technology allows the luminaire brightness to be adjusted as needed. The light temperature ranges from warm white to cool white (2700K to 5700K). With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours). Illuminate your world with LED House professionals - check out our project portfolio here!
