Weight 1200g
Package weight 1500g
Casing colour nickel

Colour comes into play with the LEIA floor lamp. A colour from the RGBW spectrum can be selected using the included remote control so that your surroundings are transformed into the desired colour. In addition, the brightness can be continuously dimmed so that it can be individually adjusted depending on the lighting conditions. The tasteful and otherwise rather discreet design is a wonderful match for modern living spaces where clear lines predominate. The floor lamp has a height of 104 cm and should be placed prominently in the interior due to the colour effects. Next to the sofa or in the entrance area, it looks great both switched on and off. The chrome-coloured base and crystal cover create a modern contrast to the light colours and stylishly round off the overall look. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Feel the light! The LEVEL floor lamp offers a variety of practical functions that take the film and gaming experience to a whole new level and allow viewers to immerse themselves more deeply in the fictional world. The Dynamic Light function creates a fascinating atmosphere with preprogrammed, dynamic lighting scenarios that add fascinating lighting effects to the multi-coloured or monochrome mood lighting. The luminaire is also equipped with the Sound Control function. Using a builtin microphone, the RGB LEDs react to ambient noise in real time and transform music, films and gaming into captivating, rhythmically adapted light effects. The remote control included in the scope of delivery allows you to adjust the brightness and RGB colour changer to your own preferences. Whether placed in the living room or in the gaming area, the LEVEL enhances your gaming or film experience in an incomparable way. When switched off, the floor lamp has a simple elegance and can be combined in a variety of ways with its black design. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Simple design - exciting lighting result. The minimalist design of the RICO floor lamp leaves room for practical functions and a dreamlike play of light with a star motif. Equipped with an RGBW colour changer, the luminaire can be dimmed and the light colour individually adjusted using an enclosed remote control. The light also has a built-in memory function so that the last selected light setting is saved and used again when the light is switched on again. Whether in the children's room, in the party room or in the living room, the floor lamp unfolds its full effect in the dark and provides exciting lighting accents. When switched off, the floor lamp has a simple appearance and is made of white acrylic and a chrome base. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

With its eye-catching and modern look, the SYDNEY LED floor lamp completes any stylishly furnished home and quickly becomes the centrepiece of the entire interior. The round base of the light ensures that it stands firmly, and the supply cable has a practical foot dimmer. This allows you to create different atmospheres in the room as required. Sydney fits particularly well in the living room as a companion for cosy reading evenings on the sofa. The spiral-shaped lampshade rotates around its long, straight frame. The lamp has a total height of 162cm. The mix of chrome-coloured surface and acrylic creates exciting contrasts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
