The Cascade collection features pendant luminaires offered as single fixtures or preconfigured compositions with five or seven light sources on a shared base. The elongated shades, housing integrated LED light sources, are available in black or brass colors. Their sleek silhouette visually elongates the room, introducing a rhythmic flow into the space. Thanks to the adjustable cords, these luminaires are also perfectly suited for spaces with high ceilings.

The sparkling LÜSTER chandelier attracts everyone's attention. This glamorous eye-catcher fits perfectly into modern and classic furnishing styles and impresses with its tasteful design and first-class lighting conditions. The 10-light luminaire has a suspension of 165 cm and a diameter of 76 cm. The colour scheme in chrome metal and the clear acrylic crystal shade complement each other perfectly and create a harmonious overall look. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
