ANDREAS pedestal fan with integrated humidifier - a saviour on hot summer days. The practical fan has a humidifier that ensures refreshing air and optimum room humidity. Perfect for offices, bedrooms or living rooms where cool and pleasant air is required. The fan has three speed levels and numerous special functions, ensuring ideal distribution of heated air even in the cold season. Additional modes such as normal wind, natural wind and sleeping wind can be selected via a touch display. An integrated timer allows the remaining operating time to be set. The fan is titanium-coloured and has an absolutely timeless design.

Fan Trio Lighting Breezy black IP20

Product code 22127

Brand Trio Lighting
Protection class IP20
Height 230.0mm
Width 187.0mm
