Track light Airam black GU10 IP20

Product code 22090

Brand Airam
Socket GU10
Protection class IP20
Height 176.0mm
Diameter 58.0mm
Casing colour black
Casing material metal
Work environment indoor use

Track light Deko-Light Can black GU10 90° IP20

Product code 20199

Brand Deko-Light
Output voltage 220-240V
Lens angle 90
Socket GU10
Protection class IP20
Height 134.0mm
Diameter 60.0mm
In package 1pc
Casing colour black
Casing material aluminium
Work environment indoor use
Operation temperature -5 kuni 40 °C°C
Warranty 2 years

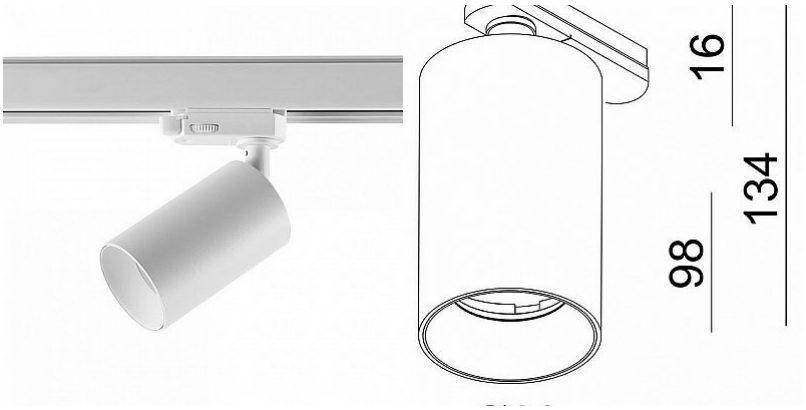

The CAN spotlight for the 3-phase current track system offers a robust and flexible lighting solution for commercial and private applications. The GU10 base enables quick and simple replacement of the lamp, while the screw-on cylinder housing allows tool-free access. The CAN spotlight for the 3-phase current track system is part of a comprehensive light series and is also available as a pendant, wall, reading and outdoor light.

Karizma Luce Linea-Q1/Q2 S Opal is a discreet linear luminaire for 48V track systems, designed to bring soft, ambient lighting to refined interiors. With a compact 218mm length, it fits both the Q1 Mini (surface-mounted or suspended) and Q2 High (surface-mounted, suspended, or trimless recessed) track systems from Karizma Luce. Unlike the Lente version with focused beam angles, the Opal version features a frosted diffuser that spreads light gently and evenly across the space. The 90° beam angle creates a smooth line of light, ideal for hallways, quiet seating areas, boutique retail, and architectural spaces where atmosphere and integration matter.

Casing material aluminium
Work environment indoor use
Warranty 5 years

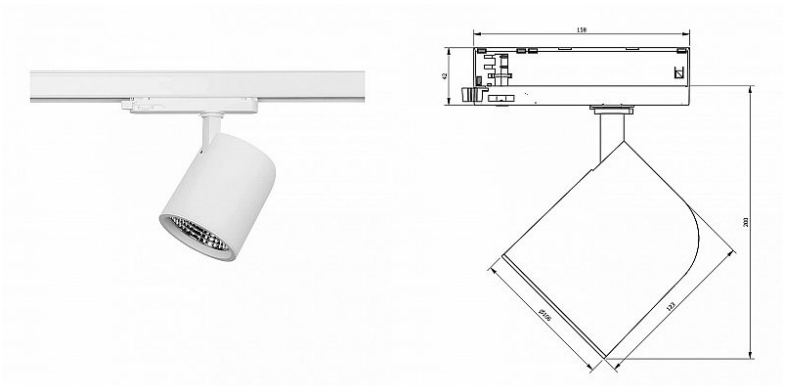

Karizma Luce Vuoto is the smallest spotlight in the 3-phase and 1-phase luminaires collection. It fits perfectly in residential spaces, restaurants, and boutiques—even in areas with low ceilings. With its compact form and minimal presence, Vuoto remains almost invisible while adding comfort and character to the space. Made of aluminium with a refined surface in exclusive black or universal white, it blends into modern and classic interiors.

The Focus track luminaire is a stylish, practical solution for your lighting needs. It combines modern design with high quality to create a truly remarkable piece of lighting. Designed for installation on a three-phase track system, it can effectively light up a wide range of spaces. Its sleek and minimalist design seamlessly complements any interior. The luminaire is made of high-quality metal for durability and reliability. It uses GU10 bulbs (not included), making it easy to switch light sources. Energy-efficient bulbs help reduce power consumption. The product is covered by a 2-year warranty, and we offer technical support.

An elegantly simple design LED track light. Black in color, compact in size, this LED light is perfect for home use. The light is designed for indoor use (IP20). The light beam does not distort the true colors of the room (CRI90), and the light temperature of 4000K maintains daylight white light in the room. The light also features a honeycomb filter, which prevents the characteristic glare of bright light. This LED track light attaches to a 3F track, which is also available in the LED house product range!

Diameter 50.0mm
In package 1pc
In box 20pcs
Casing colour black
Certificates CE
Warranty 5 years

Stylish black LED pendant light. Suitable for indoor use. Cable length is 1m (dimensions shown in the picture). Its minimalist design blends perfectly into various interiors, whether at home, in the office, or in a business environment. We recommend this warm white light (3000K) fixture for both living spaces and work environments. With a color rendering index (CRI) of 90, this luminaire enhances color accuracy and details, making it an ideal choice for highlighting art, design elements, and interior spaces. This Bolton luminaire is suitable for indoor use only, with an IP20 protection rating. With TRIAC dimmers, the LED light can easily be adjusted for different lighting scenes, creating cozy light for intimate dinners or brighter light for work sessions. This LED track light attaches to a 3F track, which you can also find in the LED house product range. Enhance your everyday lighting quality and choose a top-notch lighting solution from the LED house product range!

Track light Prolumen Bristol + Honeycomb filter white 230V 32W 3200lm 36° IP20 930

Power supply PHILIPS
Work environment indoor use
Operation temperature -20 ~ 40°C
Certificates CE
Warranty 5 years

The elegantly simple design of the PROLUMEN LED track light makes it perfect for both home use and work environments. The light adds high-quality illumination to the room while keeping the colors under the beam true to life (CRI90). This track light is intended for indoor use only (protection class IP20). When used properly, the light is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours). Additionally, the lens is covered by a honeycomb filter, which reduces the glare intensity of the light.

Elegant LED track light. All Durham models have high-quality color rendering LED chips (CRI90), ensuring the true color accuracy of the light beam. When ordering a suitable LED track light, the Durham model offers the following options: Power ratings: 15W, 20W, 25W, 30W, 42W. All models: 150-200lm/W. Color temperatures: 2700/3000/3500/4000/5000K. Beam angle: 15°/20°/38°/60°. Dimming options: TRIAC, DALI. The body color can be chosen in either black or white. You also have the option to order a honeycomb filter separately! Adding a honeycomb filter to the light reduces the glare of the light.

PROLUMEN Mateo is the perfect choice for those seeking a high-quality and modern track light with adjustable beam angle and directional lighting. Mateo is designed to be as minimalist as possible to seamlessly blend into contemporary interiors. With the Zoom feature, the beam angle can be adjusted within 15°-60° range, and the light fixture is equipped with TRIAC dimming technology for convenient light intensity control. The light temperature of this fixture is 3000K, providing a pleasant warm light to the room. Additionally, the light beam does not distort the true colors beneath it, as we are committed to offering quality and have selected lights with a high color rendering index for our track lights. Improve the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!

Montreuil track light with an elegant matte white design! Its minimalist design blends perfectly into various interiors, whether at home, in an office, or in a commercial environment. When ordering the right LED track light, the Durham model offers the following options: Power: 10W to 20W. Beam angle: zoomable angle from 15° to 55°. Color temperature: 2700-6500K. Housing color: available in either black or white. Dimming options: TRIAC, DALI. Thanks to its high color rendering index, this light is ideal for color-critical environments such as photography, filmmaking, design, and other visual creative fields. CRI90 and 97 ensure light that renders room colors truthfully and clearly. With proper use, the light is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours). Enhance your everyday lighting quality and choose a top-notch lighting solution from the LED House selection!

Montreuil track light with an elegant matte white design! Its minimalist design blends perfectly into various interiors, whether at home, in an office, or in a commercial environment. When ordering the right LED track light, the Durham model offers the following options: Power: 10W to 20W. Beam angle: zoomable angle from 15° to 55°. Color temperature: 2700-6500K. Housing color: available in either black or white. Dimming options: TRIAC, DALI. Thanks to its high color rendering index, this light is ideal for color-critical environments such as photography, filmmaking, design, and other visual creative fields. CRI90 and 97 ensure light that renders room colors truthfully and clearly. With proper use, the light is energy-efficient, environmentally friendly, and has a very long lifespan (50,000 hours). Enhance your everyday lighting quality and choose a top-notch lighting solution from the LED House selection!

PROLUMEN Montreuil is the perfect choice for those seeking a high-quality and modern track light with adjustable beam angle and directional lighting. Mateo is designed to be as minimalist as possible to seamlessly blend into contemporary interiors. With the Zoom feature, the beam angle can be adjusted within 15°-60° range, and the light fixture is equipped with TRIAC dimming technology for convenient light intensity control. The light temperature of this fixture is 3000K, providing a pleasant warm light to the room. Additionally, the light beam does not distort the true colors beneath it, as we are committed to offering quality and have selected lights with a high color rendering index for our track lights. Improve the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!
