A modern luminaire suitable for both indoor and outdoor use. This round [ceiling light fixture](#) features a motion sensor, the option to choose between 3000K, 4000K, and 6500K light temperatures, and can be mounted on both walls and ceilings. With an IP65 protection rating, this luminaire is protected against fine dust and low-pressure jets of water. This allows the luminaire to be used in stairwells, on terraces, in corridors, as well as in office spaces. If you haven't found the perfect light fixture from our product range yet, then browse through the [PROLUMEN catalogue](#) as well!

Contemporary designed LED ceiling light. The luminaire is surface-mountable, suitable for both walls and ceilings. As the base and shade cover of the luminaire are separable, maintenance is made particularly easy! The IP65 protection class means that the luminaire is water and dust resistant, making it suitable for both indoor and outdoor use. Additionally, our recommendation is to install it in offices, shops, schools, hotels, stairwells, living rooms and corridors. The luminaire adds warm white light (3000K) to the room, and thanks to CRI90, the colours of illuminated areas remain very true and natural. Improve the quality of light in your everyday life and choose a top-notch lighting solution from [the LED house product range!](#)
