Surface-mounted LED ceiling light with a round shape. The IP54 protection class means that this luminaire is protected against ordinary dust and splashes from any direction. This luminaire has an ideal color rendering index (CRI90) for workspaces and offices. This luminaire is available in both warm white (3000K) and daylight (4000K) options. For homes, we recommend warm white lights for bedrooms, living rooms, and dining areas. Daylight white may be best suited for kitchens and offices! With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000h). From the LED house product range, you can find several other ceiling lights that complement this luminaire to create unique lighting effects in your space!

Modern matte white surface-mounted light. The aluminum matte white body allows for easy adjustment of the light direction. The light fixture rotates within a 360-degree radius, and horizontally, the direction can be adjusted up to 90 degrees. Its minimalist design blends perfectly with various interiors, whether at home, in the office, or in a business environment. With an IP40 protection rating, this surface-mounted light is an ideal choice for home or office environments, providing warm white light at a temperature of 3000K. Thanks to CRI90, the LED light fixture is capable of presenting colors in a natural way, contributing to the overall atmosphere and feeling of the room. Upgrade the quality of light in your everyday life and choose a top-notch lighting solution from the LED house product range!

Surface-mounted LED ceiling light with a round shape. The IP54 protection class means that this luminaire is protected against ordinary dust and splashes from any direction. This luminaire has an ideal color rendering index (CRI90) for workspaces and offices. The light temperature of the luminaire is 3000K, providing warm white light to the room. For homes, we recommend warm white ceiling lights for bedrooms, living rooms, and dining areas. With proper use, the luminaire is energy-efficient, environmentally friendly, and has a very long lifespan (50,000h). From the LED house product range, you can find several other [ceiling lights](#) that complement this luminaire to create unique lighting effects in your space!

Ceiling light PROLUMEN Lunel black 230V GU10 IP20
