Package weight 6350g
Casing colour gold
Casing material metal + glass
Warranty 2 years

assive crystals serve as the centerpiece of the Puntos collection's design. The series includes pendant chandeliers of various diameters, as well as wall, table, and floor lamps. Each model is available in two timeless finishes: gold and chrome. The height of the chandeliers can be adjusted via the chain length. The cohesive color scheme and repeating decorative elements allow for easy combination of different models, enabling creative lighting arrangements and accent lighting across various zones within the interior.

The Light Stick collection features minimalist luminaires that fill spaces with soft, reflected light. The slender metal frames with galvanic finish are offered in two colors: satin brass and textured black. An acrylic diffuser covers the LED light source, providing glare-free, comfortable illumination. The wall-mounted fixtures feature simple, understated shapes that blend effortlessly into any interior. Pendant compositions can serve as supplemental or secondary lighting. The integrated LED source delivers warm light at 3000K. The suspension height of the pendants is adjustable, with a maximum cord length of 3.5 meters, making them ideal for rooms with high ceilings.

Spirito is a highly acclaimed series, honored with multiple international design awards, including repeated Platinum recognitions. Its legendary concept, boundary-pushing form, and technological ingenuity make it not just a lighting solution, but a centerpiece for contemporary interiors. Single pendant models also create the illusion of levitation and work beautifully as standalone accents or as part of a layered arrangement with varying heights. Whether used alone or grouped, each piece contributes to a captivating spatial narrative.

Casing material wood

The BRAD pendant light is the right choice for a cosy home! The modern light impresses with its combination of real wood and metal, creating a cosy atmosphere. The light cuts a particularly fine figure above the dining table, where it is shown to its best advantage as a central element. The pendant light has a height of 150 cm and a width of 100 cm. With the great combination of wood and metal in antique nickel, the light fits perfectly into modern furnishing concepts and is also a real highlight for vintage fans. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

The COURSE pendant light can set stylish accents in your living room and bedroom. Cleverly designed and perfectly positioned, the light is a real eye-catcher in your living space. The COURSE consists of two rings that emit a pleasantly soft light. The integrated SWITCH dimmer allows you to choose between three different brightness levels using a conventional light switch. By graduating the light intensity from 100% to 50% and 25%, the luminaire can be used to create different lighting moods. The matt black surface gives the light a modern design that can be found in numerous furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
