MAYTONİ

Pildivalgusti Maytoni Fino pronks 12W 800lm 120° IP20 830

Tootekood 20589

These minimalist luminaires are designed to highlight interior features and decorative objects. The housing is made from metal, while the diffuser is made of highly durable polycarbonate (PC) plastic. An LED module serves as the light source, with the beam easily directed at the desired angle via a swivel joint. The models are available in black and bronze colors.
