

Valgusti raam Trio Lighting Jura nikkel matt ümar GU10 IP20

Tootekood 21941

The secret of TRIO recessed luminaires is: timeless.flexible.design-orientated. With the right recessed lights, stylish accents can be set and an atmospheric ambience created. The swivelling recessed spotlights in the JURA range can be used in a variety of ways - whether as ambient lighting or for targeted accentuation of selected areas. The light source is interchangeable, giving you the option of choosing your personal favourite from switchable and dimmable light sources for wide-area or directional light. The round design is timeless and blends easily into a variety of interior styles. The JURA recessed spotlight has a diameter of 82 mm and requires a ceiling cut-out of 68 mm and an installation depth of at least 90 mm. The simple design and neutral colouring in matt nickel offer numerous application and combination options. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
