

Seinavalgusti Nova Luce Luca must / valge 15W 1309lm IP44 4000K päevavalge

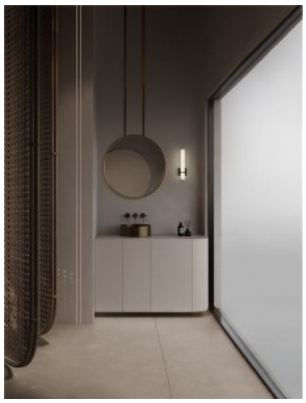

Tootekood 22885

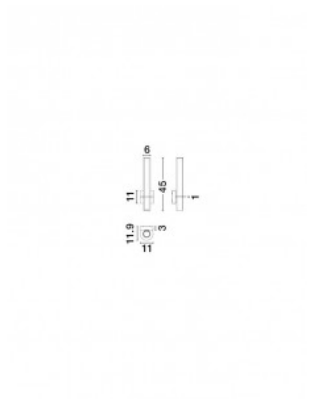

The Luca wall light combines a sleek sandy black finish with durable glass and steel materials, designed specifically for indoor bathroom environments. It offers neutral white LED illumination with a high color rendering index above 80, ensuring natural light quality. This surface-mounted fixture features a compact design with dimensions suitable for modern interiors. The light source is integrated and non-dimmable, providing consistent brightness with a luminous flux of 1309 lumens. Rated IP44, it is protected against moisture, making it ideal for bathroom settings. The fixture is easy to install and comes with a bulb included, delivering efficient and elegant lighting.
